To Catch a Thief!

Lord Mayor Wolfe of Port Fairglade has discovered that someone hired the notorious thieves' guild, the Elverin Skulk, to steal a valuable statue from his private museum. The nobleman wants to know who the guild's client is, but the only person who knows the secret is the guild's leader, the infamous Fox Prince. The heroes must venture into the monster-infested Umberwood to locate the hidden entrance to the guild's headquarters, but once they find it and try to sneak into his lair, they find that few things are what they appear to be.
