### About This Content

Discover 3 new armor sets and their brutal new weapons from CREO's most advanced R&D programs. After 'The Incident', these cutting edge medical, space, and nanite technologies left the labs on the backs of your deranged former colleagues. Follow their trail as you fight your way through the CREO Complex, cut them from your enemies and equip them to get unique bonuses!

This pack includes:

- The "Angel VI" space exo-gear
- The "Asclepius" medic exo-gear
- The "Nano Ward" exo-gear
- 3 new unique weapons, 1 for each set above
- 3 new jumpsuits to equip in the OPS room.

I would have like to have paid for this, using money through microtransaction and having to gride to get it out of purchaseable loot boxes. Great game, underrated in my opinion. loved it all the way through. Dark souls in space.. It's free dlc with nice looking armor sets

Whats not the like!. Great game, and the devs keep releasing free DLCs. Can't wait for The Surge 2. Its Free. 5/7

Awsome. I stumbled onto the first set and it made my day. Great game, Great Devs, thank you so much Deck13.. Yeah its free what more could you ask for?. I always approve of free content for good games.. Its like finding money on the ground randomly one day.

Its free.

Its amazing.

And it makes you happy for the rest of the day!  
. ty for this free dlc!

**THE ASTRONAUT ONE IS SICK!**. Great DLC for a Great game - plus it's free!. Yet another free update for The Surge..  
More, armors, and weapons.. Always welcome! Especially for such a good game! Maybe more bosses next?
